COMMISSIONER'S CORNER..... By Matt Farmer

1st & 10: It appears that at this point in the season, the biggest race is for the final playoff spot in the Payton/Tittle Conference (again Mike, I cannot remember the conference name). Prarie is in the lead at 8-4 but Sacramento and Durham are just a game out at 7-5. This one will probably go down to the wire.

FALSE START! Matt, I know its real "hard" to remember what conference you're in <eyeroll>, so to help you we've been publishing the Conference names on the front page of the Newsletter as part of the standings from April thru July the past few years. <g>

2nd Down: Baltimore and Las Vegas are tied up in the Berry which should be an entertaining battle doing down the stretch. Winnipeg, however, is still the Commissioner's favorite to win it all.

Timeout: California looks as if it is close to winning the Adrian Peterson sweepstakes. It will be interesting to see how All Day performs in the game engine next season. With the number of long gainers he had in real life, he should have one of the most fantastic "cards" ever on the Action PC platform. That will be a lot of fun.

3rd Down: It is hard to believe but another season will be over here very shortly. Again, my hats off to everyone for getting games played on time and not causing any problems. The league continues to run quite well on all cylinders and that is great.

4th Down: Well, I have nothing else to say this month. I had some delay getting this article out with the July 4th holiday, and on top of that, my wife broke her left kneecap on July 2nd which required surgery July 3rd. It has been busy around the Farmer household. Until next month....
