## **SUN CITY ROSEVILLE FOUNDATION RETURNS OVER \$80,000 TO THE COMMUNITY IN 2008**

With the help of numerous volunteers and the residents' generosity, our Foundation donations have excelled again. We are hoping we can achieve the same results in 2009. The Sun City Roseville Foundation is a charitable organization operated by resident volunteers for all our Sun City residents. Its mission is to provide and/or fund services that help meet the physical and social needs of our neighbors.

While this **Friends of the Foundation** appeal is the largest source of our income, we also fund our services through the following:

- Foundation Ball and Silent Auction
- Home Maintenance (with almost 1600 calls to residents in 2008)
- Golf Tournament
- Bingo
- Sale of Entertainment Books
- Other commemorative gifts

Services funded by the Sun City Roseville Foundation, with many administered by Sunshine Services and Resources, include: Volunteer Home Maintenance, Caregiver Relief, Emergency Care, Medical Equipment Loans, Wheelchair Transportation, Dial-A-Ride, and the Survivor Planning Program.

This past year we have provided financial assistance for the new sound system in the ballroom, additional concrete benches for our walkways, Brain Fitness Program, and new heart defibrillators. We are funding the development of an exercise video for residents' home use. We also have improved our website, giving you details about our programs and sample forms, which you can visit at [www.scrfoundation.org](http://www.scrfoundation.org).

We again invite you to continue your support by making a contribution, which is tax deductible. Your check payable to the SCR Foundation will serve as your receipt.

*Gene Antonides, Chair*
